Application/Inquiry: Fujimino-shi Childcare Supporting Section

You can work without worry about your children after school.

Why don't you use fafter school care center, system?

"After school care centers" are public facilities where lower grade children of elementary school can stay after school until evening, if their guardians are not at home in daytime for jobs.

Fujimino-shi has a meeting to explain the system and application procedure for those who want to enroll their children from April. Please attend the meeting on exact date and time. (Contact address of meeting: Oi-machi after school care center secretariat 262-4438). If you can not attend the meeting, please inquire the city hall directly. In Fujimi-shi and Miyoshi-machi, there are also after school care centers. Please contact the following offices respectively
